

# HAMA ELISA KIT

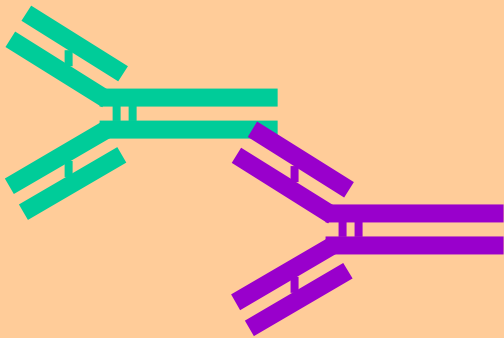

You need these tests in the world of antibody based diagnosis and treatment

## (1) HAMA ELISA Kit

Cat# KT-805

*Detection of Human Anti-Mouse IgG Antibody Induced from in-vivo mouse monoclonal antibody based diagnosis and treatment*

*Effectiveness  
&  
Accuracy*

## (2) HAHA ELISA Kit

Cat# KT-806

*Detection of Human Anti-Human IgG Antibody induced from in-vivo humanized monoclonal antibody based diagnosis and treatment*

## (3) MAHA ELISA Kit,

Cat# KT-807

*Detection of Mouse Anti-Human IgG Antibody induced from in-vivo humanized monoclonal antibody based research*

*mIgG*      *rIgG*  
*gIgG*      *rIgG*  
*hIgG*
